Santa Comes Early to Children's Hospital

Members of the Colorado Defense Lawyers Association (CDLA) delivered 41 donated children's bicycles and helmets to Children's Hospital's "Snowpile" event this morning. Patients and their families will be able to choose the bikes when they "shop" for holiday presents at the hospital.

The bikes were purchased with funds raised at CDLA's annual "Hub's Pub," a fundraising social event honoring Daniel M. Hubbard, a former CDLA member who suffered a fatal cardiac event while cycling home from work in 2011. Specialized Bicycles and Wheat Ridge Cyclery played a crucial role providing discounted bikes and helmets and assembling the bikes in their own version of "Santa's Workshop."

The CDLA has raised more than \$59,000 in recent years to fund its annual bicycle donations.
