MARK YOUR CALENDAR!

Dear Fellow Civil Defense Lawyers:

The Colorado Defense Lawyers Association (CDLA) Board of Directors looks forward to another exciting summer conference for its members, this time in beautiful Snowmass Village, Colorado. We have no doubt that the Association's members will find the conference to be a rewarding and educational experience. As noted above, the theme of the 2022 conference will be "A Call for Unity." Speakers will address ways in which Colorado's economy, industries, and business are evolving, and how these changes impact the practice of law. We anticipate general, ethics and EDI credits to be awarded for a total of 15, and we will apply for Wyoming credits too!

Keynote Speaker: Kristin Beck: Lessons from My Life

For decades, Kristin Beck hid her true self from her brothers in arms, family, and friends. Now, as the nation's first openly transgender Navy SEAL, Kristin reflects on her years of honorable service and her many accolades, as well as her life beyond the Navy, including her journey to human rights activist and motivational speaker. Kristin touches upon themes of courage, leadership, and standing up for what's right. In addition, Kristin explores the links between solid leadership, being an ally to those disenfranchised, and how nothing rewarding will ever be handed to you without hard work. Funny and sharp, Kristin Beck inspires audiences to find their voices and create better worlds for their selves, their teams, and future generations to come. **Sponsored in part by Wheeler Trigg O'Donnell and Hall & Evans**

Looking forward to seeing you all in Snowmass this summer!
Michele Choe, *Wheeler Trigg, O'Donnell* and Meredith McDonald, *Hall & Evans* 2022 Conference Co-Chairs
